# DISCOVER STIMPSON

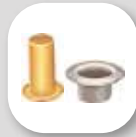

Quality products  
and trusted solutions  
**since 1852**

Stimpson has shipped over 150 billion parts including Eyelets, Grommets, Washers, Hole Plugs, Snap Fasteners, Vents, Clamps, Ferrules and many additional metal products.

### Grommets & Washers

Quality sheet metal, rolled rim, self-piercing, and oblong grommets as well as plain, teeth, neck, and spur washers. Many alloys and finishes available in stock.

### Eyelets

Stimpson GS<sup>®</sup>, tag, polybag, envelope, apparel, and shoe eyelets with various flange and barrel styles and finishes.

### Hole Plugs

Standard, electrical knock-out, tubing, and custom styles for a wide range of applications.

### Snap Sets

Available in brass, nickel, dull black, and stainless steel, with screw studs or standard posts.

We also offer quality attaching tooling for the perfect setting.
