## Manart-Hirsch Co. Inc.

**Suppliers to the manufacturers of marine,  
awning & recreational canvas products.**

Manart-Hirsch is a third-generation, family owned and operated wholesale distributor of major brand marine fabrics, hardware, clear vinyls and supplies catering primarily to marine canvas fabricators and boat builders. Contributing to our success in being one of the nation's premier distributors of marine and recreational products is our knowledgeable sales staff and commitment to our customers. We make placing an order simple.

**PRODUCTS:** Manart-Hirsch distributes a full line of boat top fabrics, including Sunbrella®, Top Gun® and Top Notch® family of marine fabrics, Stamoid, Seamark®, Odyssey III®, Softouch™, Herculite®, Phifertex®, Weblon Regatta® and many others. We stock a complete line of window vinyl including Aqua-view®, Strataglass®, Crystal Clear 20/20 and Aqua-lite® SR.

Manart-Hirsch also stocks a complete line of products such as DOT® fasteners, YKK® zippers, Tenara® threads, Acrybind® binding, stainless steel tubing and hardware, as well as most marine-related items. We have recently added the Softside® cushion vinyl collection consisting of the extremely popular Islander, Navigator, Zander, Beluga, Leon and Fractal lines. We have also added the all-new Sonic upholstery vinyl line from Nassimi which is the perfect complement to our extensive Seaquest line that is stocked in both flat and pleated styles. Along with the entire line of Seaquest, Manart-Hirsch stocks matching Seaquest welting and hidem in every color. As Consew® sewing machine distributors, we supply the full line of new Consew industrial sewing machines, as well as attachments and parts for the marine, awning, recreational and industrial canvas industries.
